

100 Years of Grace

Grace Lutheran Church – Second Decade

September 1929 Rev. A. R. Frederking became Grace's first full-time pastor and a parsonage was dedicated on the downtown site in 1931. Our church has remained self-sufficient from its early beginnings. In spite of a deep depression, on January 7, 1937 Grace left mission status and became a self-supporting congregation.

1st House of Worship – Dedicated 6/8/1919
